## Job Description                                                    ✕

**Job Classification:** Public Safety Telecommunicator Lateral/ II

**Kitsap 911 requires the completion of the ECOMM National test through NTN as well as their agency application to move forward in their hiring process. For more information about the hiring process and to complete the agency application, please visit Kitsap911.org.**

**Salary Information:** $30.44 - $41.86 Hourly
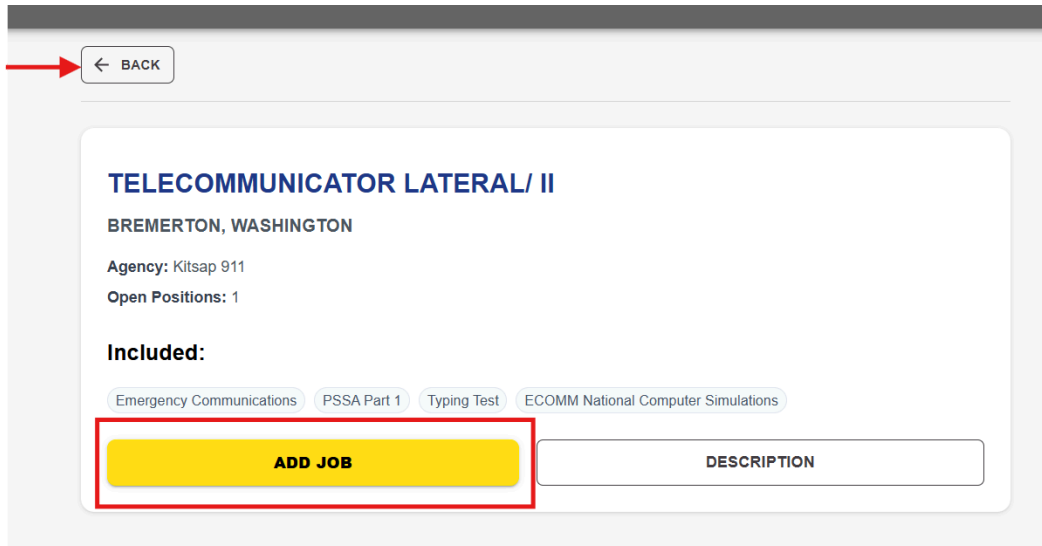

**Department Overview:**

Kitsap 911 in beautiful Bremerton, WA is searching for experienced Public Safety Telecommunicators. Our high-performing agency offers employees continued learning opportunities and clear career advancement paths. Kitsap 911 is an award-winning emergency dispatch center, providing exceptional public safety emergency communications services every day to our community.  Kitsap 911 offers a generous benefit package including a competitive salary, medical, dental, vision, paid sick/vacation, PERS retirement, and more!

Under the direction of the assigned supervisor, the Public Safety Telecommunicator II/Lateral learn about reception and transmission of E9-1-1 (Enhanced 911 system) telephone and radio emergency medical, fire, and law enforcement service calls, as well as calls and complaints from the public. Using a computerized telephone system and sophisticated Computer Aided Dispatch (CAD) system, Public Safety Telecommunicator II/Lateral deal with sensitive information in a discreet and professional manner and handle multiple requests at one time, prioritizing them according to the nature of the request for service.
